

HP Designjet D5800 Production Printer

The fastest 60-inch dye-ink production printer for nonstop operation¹

Easy integration into your low-cost environment

- Seamlessly integrate this printer into your current environment—and continue using the inks you rely on
- Keep printing costs low—stock one dual-channel printhead SKU optimized for HP dye inks—use it for any color
- Create prints with excellent color transitions and grain thanks to a new printhead with a small drop size²
- Increase your productivity with simple media-handling features that help keep media flat while printing

High-speed operation—around the clock

- High-speed printing—up to 128 m²/hr in Fast mode and 24 m²/hr in Production mode for polypropylene³
- Create quality prints at top speed, using HP Double Swath Technology and the HP Optical Media Advance Sensor
- Expand your offerings—print backlit graphics, POP signs, roll-up banners, and indoor signs in vivid color
- Confidently run jobs overnight with a printhead status gauge, long roll support, and solid take-up reel⁴

Robust design and easy maintenance

- Depend on robust, durable design features built to handle the most demanding printing environments
- Easily maintain your printer in-house with the easy-to-replace printhead and automatic printhead cleaning
- Increase printer uptime with certified reseller support designed to resolve printer issues fast
- Invest in a reliable, workhorse printer backed by a one-year warranty

Eco Highlights

- Breakthrough color consistency can help reduce unnecessary reprints
- FSC®-certified papers,¹ range of recyclable HP media with a take-back program²
